FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Re: Peninsula Communications, Inc.
Docket EB-02-21
Witness Notification

Dear Judge Sippel;

On behalf of Peninsula Communications, Inc., this is to notice the following witnesses for cross-examination based on their proposed direct testimony:

John C. Davis
Cherie Brewer
Andrew Tierney
Dennis Bookey

In its September 12, 2002, covering letter to the direct case exchange, the Enforcement Bureau noted the intension to call Mrs. Eileen Becker as an "adverse witness" at the hearing. Mrs. Becker is not sponsoring any testimony in this proceeding, and is not available to appear at the hearing. The Bureau noted that in the event she was not available, it intends to submit her deposition in lieu of live testimony. Peninsula objects to this proposal for a number of reasons, including the fact that Mrs. Becker has yet to see a transcript of her deposition, and therefore has not been able to review and correct it. Mr. David Becker has also not been provided with a copy of the transcript for his deposition as of this date.

Please contact the undersigned should you have any questions on this matter.

Very truly yours,

Jeffrey D. Southmayd
